This is your copy of the WCL schedule. If you are unable to fulfill your assignment, it is your responsibility to find a substitute. Please give the substitute enough time to prepare for the assignment. Highlighting of your assignments may be done for you as a convenience. Please review to confirm that all your assignments are highlighted. May the LORD richly bless all of your efforts toward strengthening His Church.

Please inform Cheryl Reinhardt of any changes to the schedule. If possible also update the schedule in the office. Thank you.
